ABOUT US

It is a place of SILENCE, SOLITUDE, AND PRAYER, and retreats are for anyone who wants to be closer to GOD to GROW in spirituality.

Our mission is to provide our guests with a 'DESERT' environment, a place of freedom away from the disturbances and noises of everyday life.

Our goal is to help our guests REST physically, mentally, and spiritually in the Presence of God.

The House of Prayer is a mission of the Archdiocese of Mwanza in collaboration with the Maryknoll Missionaries.
